UH Secondary Lesson Plan

Name:	Year Group:	Date:	Time:
Subject/topic:			
Where does this lesson fit within the sequence of lessons?			
Learning Objective: (What is the overarching aim of the lesson?)	Learning Outcomes: (What will pupils learn?) 1. 2. 3.		
Inclusive practice: Anticipation of adaptions and adjustments for range of needs (SEND/EAL/Higher Attainers):			
Direct support from other adults:			
Resources:	Subject Specific Vocabulary:		

The Plan for Learning

Pupils' prior knowledge relating to this lesson:			
Timings	**What is the teacher doing?**	**What are the pupils learning?**	**Related learning outcome**

University of Hertfordshire UH
School of Law and Education

Lesson evaluation/reflection: to be completed after the lesson and then discussed with your TM

Subject Knowledge	
Reflect on your confidence and competence in teaching this aspect of the subject	
Strengths	**Areas for development**
Pupil learning and progress	
What did the pupils learn and how do you know this? Were all pupils able to access and engage in the learning?	
Was the lesson suitably ambitious? Did all pupils have the opportunity to think deeply?	
How did this lesson demonstrate your progress in relation to your targets?	
Future impact – How will this lesson inform future planning and practice?
